### Your contribution to something big:

#### Tasks:

- You will be a part of a team responsible for ServiceNow integration with Bosch Enterprise IT
- You will acquire distinct knowledge about the ServiceNow integration and configuration at Bosch, and you will actively participate in driving this forward
- You will be engaged with business representatives from Bosch Business Mobility for seamless introduction of ServiceNow platform.
- You will support end-user acceptance testing
- You will work in international team.

#### Benefits:

- Paid internship based on a civil contract (minimum 6 months)
- You will receive full training and support of experience mentor in order to prepare you to do this job successfully.
- Flexible working hours, we will adjust to your student's plan.
- Possibility to work remotely.
- Learn practical knowledge from experienced experts.
- Get hands-on experience ServiceNow system.
- Get a better understanding of (Agile) IT projects.
- Lunch at our canteen (reimbursement).
- Access to training materials and knowledge library.

### What distinguishes you:

#### Profil:

- Student status (min. 3rd year) in preferably computer science or IT-related field
- Ability to learn quickly, natural curiosity and a willingness to figure things out.
- Good organization skills and the ability to handle multiple tasks.
- Your characteristics (communication, responsibility, courage, flexibility, openness).
- Advanced English language skills (B2/C1).
- Availability of 30 - 40 hours per week.
- Tools to be nice to know: Excel, PowerPoint, Jira, Postman
- Basic understanding of ServiceNow platform would be considered an advantage.
