

Welcome to a place where your ideas lead to something big.

Let's be remarkable.

Start something big today. Apply now for position:

Purchasing Team Intern

ul. Wrocławska 43, Mirków, Wrocław, Poland

Do you want beneficial technologies being shaped by your ideas? Whether in the areas of mobility solutions, consumer goods, industrial technology or energy and building technology - with us, you will have the chance to improve quality of life all across the globe. Welcome to Bosch.

Your contribution to something big:

- Join the Bosch Project Purchasing Management Team for Conventional Actuation Boosters and support us on change projects, customer application projects, digitalization.
- You actively participate in projects and take over standalone tasks. You create and analyze data base and recommend actions.
- Furthermore, you combine analytical skills with IT-knowledge.
- Take an active role and collaborate with technical experts in different production technologies (Stamping, Plastic Molding, Machining, etc)

What distinguishes you:

- **Education:** studies in the field of Industrial/Mechanical Engineering, Business Administration
- **Character and working practice:** open minded, structured, agile, capable of prioritizing
- **Experience and Know-how:** IT-tools oriented, MS Office (esp. Excel and PowerPoint), Power BI and SAP-skills are beneficial
- **Language:** very good in English (German could also help)
