

# English Language Competency Requirements for Admission to the University of Ecology and Management in Warsaw

UEM accepts the following English language certificate (B1 level equivalent) such as TOEFL, TOEIC, IELTS, FCE, ESOL, IESOL, SET, EBC, EOS, LCCI, CAE, CPE, BEC, CEIBT, CELS etc. For a candidate to be exempt from this, candidate must be a native English language speaker. Diplomas from bilingual schools are not exempt. If a candidate has completed high school education at a school where medium of instruction is fully in English, the candidate will be accepted.

The following rules must be read, understood, and confirmed by the applicant.

1. The candidate can begin to study at a chosen program directly if his/her English language test score is a min IELTS= 5, TOEIC =450, etc.
2. If the candidate does have a test score lower than the above given minimum scores, does not have a certificate or has something other than the above mentioned test scores at the moment of application for admission, but still would like to finalize his/her application for program studies without an English language preparation, then the candidate has to take our online interview which will be provided by the admission office.
3. If the candidate fails to do either as indicated, meaning the test score obtained fails to reach the min level B1 then the student has to attend the Foundation Program for 1 or 2 semesters until a required test score is obtained. Any other way of action will result in the cancellation of student's enrollment, along with other possible consequences such as the annulment of visa obtained to enter Poland.

**I hereby declare that I understand and accept everything written above.**
